

**Budget Project Rubric**

**10** – Excellent! You exceeded the requirements and expectations.

**8 - 9** – Great! Your work shows competence, and you met all requirements.

**7** – Good. It's clear you followed the directions, but some parts are missing.

**6** – Acceptable. You didn't follow all the directions, and important parts are missing.

**1- 5** – Unacceptable. You don't seem to understand the directions. The project is incomplete.

Component	Score	Comments
<i>Layout and Format</i>  (well-organized, creative, section names are clearly typed, includes pictures)		
<i>Completeness</i>  (directions were followed closely, all sections are included and completed)		
<i>Calculations</i>  (calculations for income, expenses and final totals are complete and correct)		
<i>Written Requirements</i>  (all necessary information is written and complete, final results are included)		
<i>Accuracy</i>  (the budget is realistic, expenses reflect accurate prices and costs of living)
